

Development-**I**mplementation-**R**unning of

EMAS at schools

- Founding of the partnership
- Targets of DIR - EMAS
- The results and problems
- A view on the BBS OHZ

Founding of the DIR-EMAS network

- the partners:

Colegiul National Emil Racovita - RO

Nils Ericsons Gymnasiet - SE

Gymnasium Rahlgasse - AT

Sykli Environmental School of Finland - FI

Berufsbildende Schulen Osterholz- Scharmbeck - DE

- **School - Development - Project / Comenius 1**

Targets of DIR - EMAS

- „It is easy to get results once but it is difficult to create a system that works continuously.“
- process of continuous improvement
- EMAS - **Eco-Management and Audit Scheme** - a management tool to evaluate, report and improve environmental performance - consisting of + Environmental review + environmental policy + environmental programme + management system + audit / management review + environmental statement + validation
- development - implementation - running
- www.dir-emas.ro

Results and Problems

- www.dir-emas.de
 - general explanation, checklists, documentation
 - strengthen the motivation of the EMAS-teams
 - involvement of our school management
 - projects of environmental education
 - the whole school becomes an ecological place of learning
-
- no validation
 - less continuously work within the European network regarding the co-operation of the pupils/students.
 - great efforts and patience

Berufsbildende Schulen OHZ

Osterholz- Scharmbeck:

25 km from Bremen

bbs ohz: Vocational school offering fundamental professional and general education to the following branches - technical, commercial, agricultural, domestic, social

bbs ohz: 2000 students - 150 teachers

Our results:

- environmental review - environmental policy - environmental programme - environmental management system - an EMAS - manual
- more environmental projects

Our problems:

- Quantification of our objectives
- Enthusiasm within our staff

Next step:

May, 23 the auditor will come to review if the school's achievements are fully in line with the assessment's expectations
